HAMILTON is the story of America then, told by America now. Featuring a score that blends hip-hop, jazz, R&B and Broadway, HAMILTON has taken the story of American founding father Alexander Hamilton and created a revolutionary moment in theatre—a musical that has had a profound impact on culture, politics, and education. With book, music, and lyrics by Lin-Manuel Miranda, direction by Thomas Kail, choreography by Andy Blankenbuehler, and musical supervision and orchestrations by Alex Lacamoire, HAMILTON is based on Ron Chernow's acclaimed biography. It has won Tony®, Grammy®, and Olivier Awards, the Pulitzer Prize for Drama, and an unprecedented special citation from the Kennedy Center Honors.
